

Resolution 2023-14

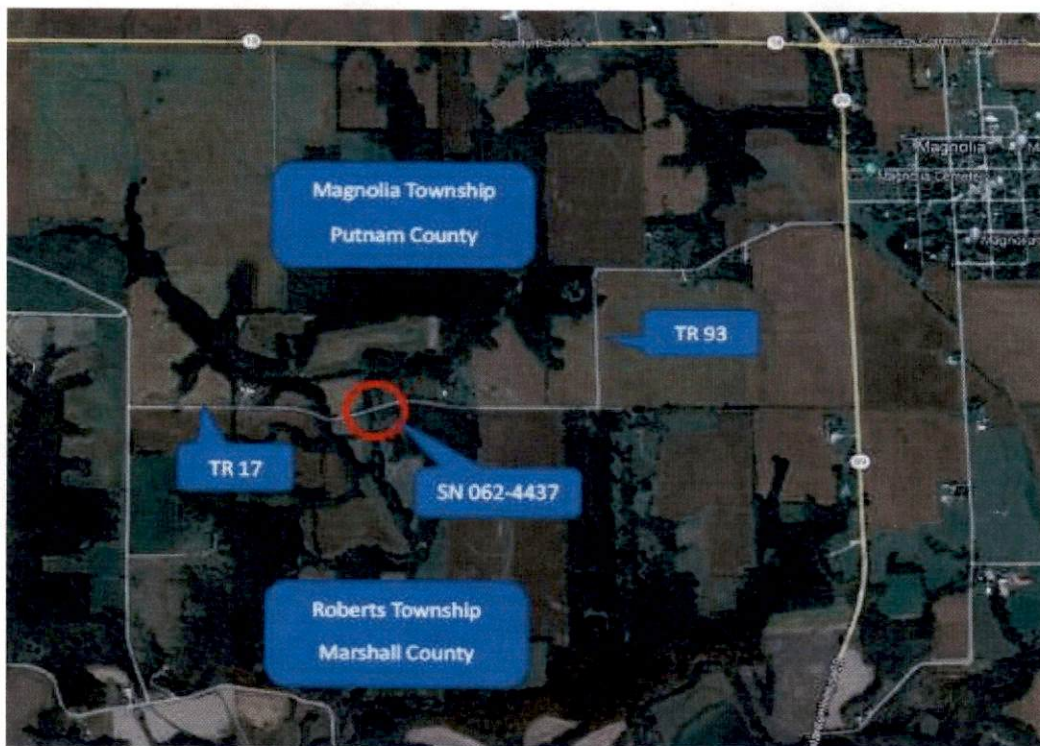

Request for County Aid for Township Bridge Repair

Township	Magnolia
Co. Aid Project	305
Structure #	4437

The undersigned Commissioner of Highways of Magnolia Road District in Putnam County, Illinois, hereby petitions you for aid as provided for in Chapter 605, Section 5/5-501, of the Illinois Compiled Statutes, for an appropriation from the County Board Bridge Fund in the County Treasury, a sum sufficient to meet one-half the expense required on the condition that said Road District shall furnish the other one-half of the required amount.

A bridge requires replacement, carrying Stagecoach Road (TR 93), crossing Little Sandy Creek, Section 33 in T31N, R1W, Magnolia Township, Putnam County. The bridge is a county line structure and shared with Roberts Township, Marshall County.

The total cost of said work will be approximately \$1,025,000 and the County share will be approximately \$50,509.

I, Scot Watkins, Commissioner of Highways for Magnolia Road District, further certify that the present structure is inadequate and that the proposed work is necessary, and that the estimated cost of the project is more than 0.02% of the equalized assessed valuation of the Township; and that they tax levy for road purposes in this Road District was, in each of the last two years, not less than the maximum allowable rate provided for in Chapter 605, Section 5/6-501 of the Illinois Compiled Statutes.
